## Charity Registration Initiative update

Managed to get a new contact Kumar to gather more information about charity registration.

Kumar is from Ottawa and he has experience in charity registration.

Team came to know about him through Buva.

Team members agreed the following

- it is better to meet him to get his advice and help
- based on the information and advise that we gather from him we can evaluate ourselves on this charity registration efforts
- if it is doable, we can do the charity registration by ourselves with the help of Kumar instead of going through a law firm.

Then Buva confirmed that he will schedule a meeting with him in couple of days.
